Dear Author,

This is X. As you can see from the image, he's a pretty bookish and calm fellow. He likes nothing better than cuddles and early morning sex and then some more cuddles.

It wasn't his choice to be dressed in dark jeans and a super tight tank top to go to a fetish club of all things. He doesn't even own leather! BDSM is the new thing, his best girlfriend said. Haven't you read that book? She asked.

Now, because he owed her one, he went. And then this guy walked into his view. The Dom doesn't seem to care about the newbies snickering at his kilt or his black nail polish and everyone else seems to respect him a lot.

X wasn't there to attract attention, but a little mishap and suddenly he's on his knees next to the guy and he feels right at home? What the hell?

### Photo Description:

The first photo is a profile view of a young, clean-cut, dark-haired man sitting framed in a sunlit bay window, wearing only a T-shirt and boxer shorts while he reads. The second photo is faceless. Male hands strong, with chipped black nail polish and leather-cuffed wrists cupping himself over a black, studded, leather belt, and the fabric of his low-slung, red plaid kilt.

This story was written as a part of the M/M Romance Group's "Love Has No Boundaries" event. Group members were asked to write a story prompt inspired by a photo of their choice. Authors of the group selected a photo and prompt that spoke to them and wrote a short story.

### Author's Note

There is hot sex in this story, but the issue of protection is left somewhat ambiguous. In real life, be safe without question.
